Chemistry and
Pharmacy Symposium 2023

Meet the New Professors

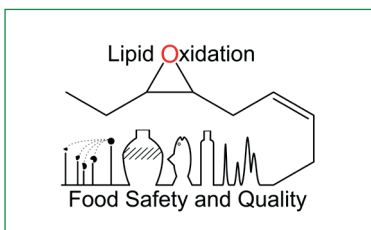

Inaugural Lectures and
Poster Session of the
New Professors
and their Groups

**April 14
1 p.m.**
H11, Cauerstraße 11,
91058 Erlangen

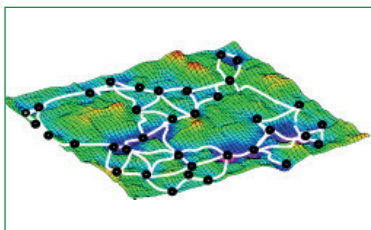

Meet the New Professors

*Talks will be given in random order

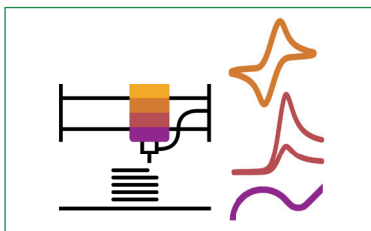

The Wondrous World of Food Lipids

Simon Hammann

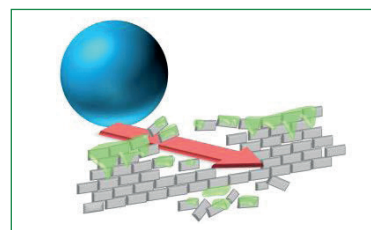

Chemistry in the Computer

Petra Imhof

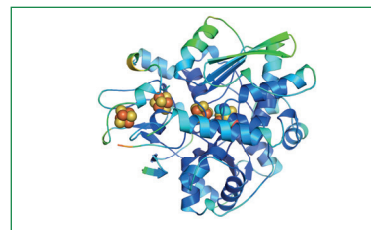

3D Printing and Electrochemistry

Siow Woon Ng

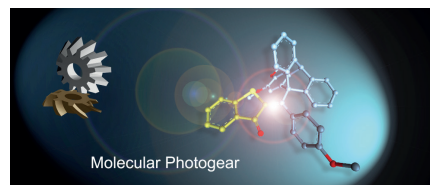

Nano Drug Delivery

Dagmar Fischer

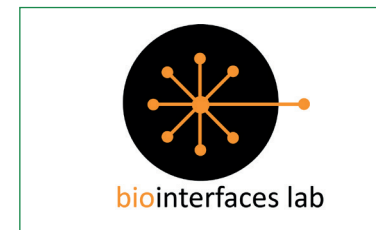

Biomolecules Made Crystal Clear

Ingrid Span

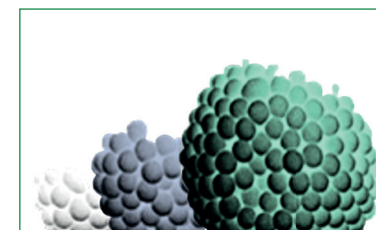

Building Nanotechnology with Chemistry

Henry Dube

Magnetism and Neuromodulation

Danijela Gregurec

Supraparticles

Karl Mandel
