# Expired Drug Initiative Alt-Arzneimittel Initiative

[chemie.nat.fau.de/forschung/altarzneimittelinitiative/](http://chemie.nat.fau.de/forschung/altarzneimittelinitiative/)

## Our aims

- Collection of expired drugs from pharmacies, hospitals and industry
- Increasing general public responsibility in the handling of expired drugs
- Development of reliable methods for the recovery of APIs from expired drugs
- Support of research and teaching through recovered APIs
- Industrial collaborations with regard to application on larger scale
- Promoting sustainability in pharmaceutical research

## If you are interested in ...

- Providing expired APIs for FAU EDI
- Receiving recovered APIs for research or teaching purposes (excluding application to humans and animals)
- Collaboration within an academic-industrial partnership

## ... please feel free to contact us
